Subject: \$206 Donation

Dear Southern Wisconsin Trout Unlimited.

On behalf of the Wisconsin Department of Natural Resources, I would like to thank you for your donation of \$206 to our Bureau of Fisheries Management. The donation will be used to purchase new equipment that is required for trout survey work in Dane, Rock, and Green counties. The purchase of new tape measures and spring scales will increase sampling efficiency on trout surveys. Measuring tapes will be used to collect stream discharge and spring scales will be used to collect weights on trout species.

Your gift is an example of your commitment to support the growth and enhancement of the fisheries resources in the state of Wisconsin. Again, thank you for your generosity and your dedication to making fishing better in Wisconsin.

Sincerely,

A handwritten signature in black ink, appearing to read 'Justine R. Hasz'.
